PART 250_OIL AND GAS AND SULPHUR OPERATIONS IN THE OUTER CONTINENTAL SHELF--Table of Contents

Subpart O_Well Control and Production Safety Training

Sec. 250.1506 How often must I train my employees?

You determine the frequency of the training you provide your employees. You must do all of the following:

- (a) Provide periodic training to ensure that employees maintain understanding of, and competency in, well control or production safety practices;
- (b) Establish procedures to verify adequate retention of the knowledge and skills that employees need to perform their assigned well control or production safety duties; and
- (c) Ensure that your contractors' training programs provide for periodic training and verification of well control or production safety knowledge and skills.
