STATEMENT OF UNDERSTANDING
PATHOGEN TRAINING

I have read the attached Transocean Sedco Forex, Inc. policy regarding pathogens and I have had an opportunity to ask questions and understand the meaning and intent of this policy, including but not limited to, *a general explanation of the epidemiology and symptoms of blood borne diseases; An explanation of the modes of transmission of blood borne pathogens; An explanation of the appropriate methods for recognizing tasks and other activities that involve exposure to blood and other potentially infectious materials; An explanation of the use and limitations of methods that will prevent or reduce exposure including appropriate engineering controls, work practices, and personal protective equipment; Information on the types, proper use, location, removal, handling, decontamination and disposal of personal protective equipment; An explanation of the basis for selection of personal protective equipment; Information on the Hepatitis B Vaccine, including information on its effect, safety, method of administration, the benefits of being vaccinated, and that the vaccine and vaccination will be offered free of charge; and Information on the appropriate actions to take and persons to contact in an emergency, involving blood or potentially infectious materials.*

I am aware that as a person with medical responsibility, I may have occupational exposure to blood and other body fluid pathogens when administering first aid or rendering medical assistance.

As a trained person with medical responsibility, I am knowledgeable of universal precautions utilized when dealing with such pathogens and understand that Transocean Sedco Forex required these precautions be followed when rendering such assistance.

I have read and understand the methods of compliance to this Policy and agree to don this equipment in the event blood or other body fluid exposure is possible.

I have provided or will provide Transocean Sedco Forex, Inc. with documentation regarding:

(Circle One)

1. My most recent Hepatitis B vaccination **or**
2. Previous Hepatitis B infection and nonsusceptibility **or**
3. My election not to receive the vaccination series.
