WSL don't feel like it would be beneficial as the plugs are already stabbed as well as the darts and the Blackhawk hand will release per procedure.

Thanks
Brian

Brian, will you need a service Hand of this job? I would really like to have a service hand on location to insure this job goes well.

Regards,

Bryan Clawson

Brian, please see the attached complete Tech on the 9 5/8" X 7" DWP SSR Plugs as discussed!
