

2008 GoM Safety Pulse Check

Deepwater Horizon Crew Responses

Percentage of Positive Responses to Select Questions Among *Deepwater Horizon* Respondents

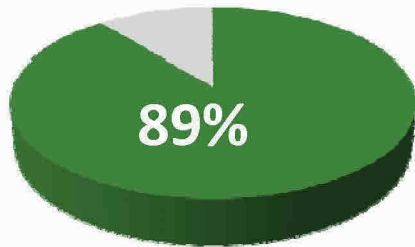

“Do you have your supervisor’s support to STOP the job?”

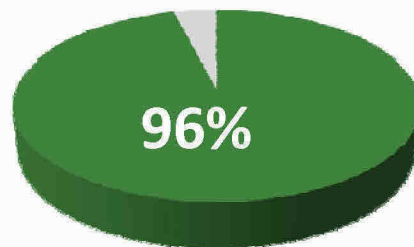

“Do you feel you are given enough time to properly plan the job?”

“Do you feel you can raise a safety concern without repercussions?”

“Does your work planning always include hazard recognition?”

“Does the senior facility leadership always send the right message on safety?”

“Do you feel you are in control of your own safety?”

- A survey of safety-related topics conducted on all of BP’s GoM owned and non-owned assets.
- 146 survey questionnaires completed and returned on the *Deepwater Horizon*.
- Both contractor and BP employees participated.
