<b>EMERGENCY DISCONNECT PROCEDURE</b>		

## 1 EMERGENCY DISCONNECT ACTIVATION

### General Considerations

Actions to be taken at each of the DP Alert levels are dependent on the rig floor operation at the time. These Yellow and Red Alert actions are posted on the drill floor. The DEEPWATER HORIZON crews will strictly adhere to these Alert Actions and EDS drills will be executed weekly.

Listed below are eight operations with actions identified to be taken at each DP Alert. Other situations will arise that are different from these basic operations. In the situations not covered in this procedure, the Forward Driller or Senior Toolpusher on the rig floor is to DECIDE AND CONTROL actions to be taken.

The DEEPWATER HORIZON crews will strictly adhere to these Alert Actions and EDS drills will be executed weekly.
