Gents,

latest update for your records.

I would like for the WSL to sign off on as much as they can so we can delete it off the working copy. Any help nudging the guys would be greatly appreciated. I'm desperate to put this to bed and remove the distractions caused to the offshore team.

Regards

Paul

Subject: Updated audits

Paul

Attached are the updated audit lists for your review.

All

Please review and address all items that are assigned to your craft the audits are on S drive in the BP audit folder.

Robert Tiano

Maintenance Supervisor
