Subject: Kurt Mix & OLGA-ABC

Kurt Mix at BP called – he's working with the team on the BP issue and is forwarding his OLGA-ABC simulation run file to me shortly for secondary confirmation of his results. He's asked for me to stop by Westlake and discuss the findings when I pick up my truck at McGinnis Cadillac tonight.

Glad to see SPT Group has sold another licensed copy of OLGA-ABC. (That makes 6 installations I'm aware of...Petrobras, BP, WWCI, and ACL Engineering.)
