

Background and Expertise

- **Ph.D. Chemical Engineering from Stanford**
- **30 years of experience in petroleum engineering**
- **Extensive work in equation-of-state (EOS) modeling of fluid phase behavior**
- **Employment**
 - ARCO Oil and Gas Company (1983-1991)
 - Reservoir Simulation Research Corporation (1991-1993)
 - Zick Technologies (1993-present)
