Subject: Results

Pat,

We spent 3 hrs reviewing each other's work and Antonio consolidated them into one result: 35k - 45k. Adm. Allen and Lubchenco phoned and we reported this to them. Tomorrow, Steve Wereley, Antonio, Marcia and I will meet with Chu at DOE - the others will be on a conference call. The President ordered that "one result" be reported to the public and no leaks to the press. Antonio will bring all results together. The President will address the nation on Tuesday night.

Pedro
