

# Deposition Transcript of Earnest Bush: OSRP ≠ Source Control Plan

ORAL AND VIDEOTAPED DEPOSITION OF:

**Earnest Dewayne Bush**

VOLUME 1

NOVEMBER 14, 2012

6           A. This Plan is not -- not about Source  
7           Control. This Plan is about how to respond to an  
8           oil spill on the surface. This portion of the  
9           Plan is trying to understand, at one point, does  
10          the Oil Spill Plan come into play.

20          Q. (By Mr. Barr) This Oil Spill Response  
21          Plan addresses virtually nothing on Source  
22          Control, correct?

25          A. This plan -- this plan was not meant to  
1          address Source Control.
