
Dr. Srdjan Nestic: Metal Erosion Expert

Dr. Srdjan Nestic
Metal Erosion Expert

- **30 years'** experience in computational fluid dynamics and erosion
- **Ph.D** in chemical engineering (1991); **B.Sc.** (1982) and **M.Sc.** (1988) in mechanical engineering
- **2002-present** | **Ohio University**, Professor of chemical engineering; **Institute for Corrosion and Multiphase Technology**, Director
- **1996-2001** | **University of Queensland**, Senior Lecturer of mechanical engineering
- **1991-1996** | **Institute for Energy Technology**, Principal Research Scientist
- Co-authored over 70 peer-reviewed papers, 100 conference papers, and book articles in the field
