

23 Q. All right. I've looked through
24 this document, Exhibit 2386, and the only
25 well source control option that I see in it

1 is relief wells; is that right?

2 MR. OCCHUIZZO:

3 Objection to form.

4 A. Again, this is not a
5 how-to-fix-it. This is the organizational
6 infrastructure. It's not going to tell you
7 what the remediation tools are.

25 well source control option that I see in it

25 source control options other than a relief
