

## BOEM Report

OCS Study  
BOEM 2014-618

Offshore Oil and *Deepwater Horizon*:

### 2.5. IMMEDIATE OIL SPILL IMPACTS: SUMMER THROUGH FALL OF 2010

ones related to claims slowed down some fishermen from going back to work. Fishermen who worked for VOO for a significant amount of time built up a financial reserve they used to maintain their vessels, do repairs, or pay down debts, helping some return to fishing while others took the rest of 2010 off. For example, some Vietnamese-Americans who returned later than
