

BOEM Study Code Report

Reference 5 – 0.96% Coverage

PP928 said that honestly, the oil spill had probably helped the local economy around Pascagoula more than anything. BP “was just handing money out” last summer he said. People were getting money for any sort of claim. Plus, lots of people had been hired onto the VOO program and just to cleanup the beaches. There had been 1000s of people just walking around picking up trash along the beaches.
