
BP's Efforts to Mitigate Health Risks

- Working with UAC partners:
 - BP **monitored** for potential or actual health impact
 - BP **trained** clean-up workers
 - BP **provided** PPE for clean-up workers
 - BP **implemented** comprehensive heat stress plan
- BP **funded** public health initiatives (\$150+ million)
- **Conclusion: BP worked cooperatively and successfully to prevent or minimize adverse health effects**
