Hi Ewen,

I did see that as a logical conclusion from our tests. You will need to explain to me how the test yesterday would provide you with that conclusion given the other data.

Yes. I think we may get the card by 10 am today as FedEx usually does a delivery at WEST then.

Thanks,

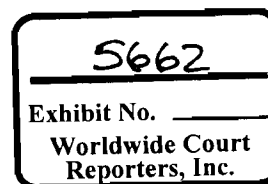

Chris

Chris,

Thanks for the info. Lets hope this gets in earlier so we can do the testing as should.

• Did we
managed

TRN-MDL-02785488

TREX-05662

to get our
tests we
did
yesterday
on paper

- and into a
report. I
did call
Dan last
night to
-

warn him

this

testing we

found out

yesterday

- could mean that the AMF did not function.
-

Regards,

Mika,

The FedEx tracking number for the repaired board is below.

Chris
