Dr. Blunt's Original Oil in Place Analysis is Faulty

Background

Dr. Blunt's reservoir barrels are remarkably close to mine

Total Reservoir Barrels (in millions of barrels)	
Kelkar	264
Blunt	258
BP 2010	256

This nullifies both of Dr. Blunt's criticisms of my original oil in place calculation

TREX 11549R, 11550R D-21659
